

Music Organizer Program v.9.21 Released

Monday, 15 January 2007

Was released Music Organizer Program v.9.21

Differences, related to previous versions:

- Support of most widely spreaded archive formats. Now Music Organizer Program will be able to process archives content or, according to user settings, sort archives using their internal content and properties.
- Appended functionality to the panel with realtime information.
- Appended playlists to Image and Media previewers.
- Increased speed of file processing engine.

Last product version may be purchased in our online store. All registered Music Organizer Program users can get it for free.
